

Access Statement 2010

The Hollies Bed & Breakfast

6 Bradford Road, Corsham, Wiltshire, SN13 0QR

Tel. 01249 716498

At the Hollies, all Guest accommodation is situated on the first floor and we do not have lift or chair lift facilities. We regret therefore that the Hollies is unsuitable for wheelchair users who are unable to climb the stairs (the fire escape is down the same flight of stairs).

Please advise us of your expected time of arrival so we can make sure we are here to welcome you and to be of any assistance.

Our **Access Statement** currently offers:

1 - Signage

- (a) The sign of the Hollies B&B is situated at the front of the house and can be seen from both directions on the road.
- (b) Vehicles pulling onto the drive will see plenty of space to park.
- (c) There is ample parking space for several cars on the tarmac surface. The car park is well lit by a security light and also from nearby street lights.
- (d) We assist all Guests with their luggage from the car park when requested.

2 - Entrance

(a) The Guest main entrance door is within 6 metres (20 feet) of the car park and is accessed up a side path alongside the drive which is 8" (200mm) high at its lowest point and 17" (430mm) high at its highest. Access can also be gained by a front path from the drive consisting of 6 steps which are 4.5' (1370mm) wide and 8-9" (200-230mm) high.

Vehicles can pull right up to the bottom of these steps.

(b) The main entrance has two steps to the main door which is lit at night, 3' (915mm) wide and 4" (1220mm) high, and the door way is 33.5" (850mm) wide.

3 - Hallway

- (a) The hallway has a smooth wooden parquet floor and is well illuminated.

4 - Stairs

- (a) The foot of the stairs is situated in a straight line 5' (1525mm) from the main entrance.
- (b) The stairs are of wood construction with carpeting and have a straight flight of 15 steps measuring 28" (710mm) wide and 7.5" (190mm) high.
- (c) The stairs are open plan and well illuminated from above and below and there is a handrail to the right as you ascend 33.5" (850mm) high and along the landing 35.5" (900mm) high.
- (d) The landing is carpeted and all Guest doors are within 18' (5480mm) of the top of the stairs.
- (e) The landing is lit at night using 1 x energy efficient down lighter.
- (f) We assist all Guests with their luggage unless denied.

5 - Dining Room

- (a) The dining room is situated on the ground floor and within 3' (920mm) of the foot of the stairs and there are no steps.
